The Protection of Wealth Lunch and Learn Series

The Emerging Cannabis Industry

Where to Invest Before the Smoke Clears

With recreational cannabis use currently being legalized in Canada, investors are wondering: What are the new rules? Which companies are positioned to prosper going forward? Will the volatility in the sector continue?

Karcz Wealth Management Group invites you to join us and our special guest Greg Taylor, *Fund Manager*, Redwood Asset Management, Marijuana Opportunities Fund for an informative seminar on the emerging cannabis industry in Canada.

Martin Karcz,
MSc, MBA
Senior Vice President,
Investment Advisor

Greg Taylor
Fund Manager
Redwood Asset Management
Marijuana Opportunities Fund

Martin has over 20 years of financial and business experience. He specializes in portfolio strategies for affluent individuals, corporations and associations, including solutions for estate planning, tax-planning, and business succession planning.

Greg Taylor is a data-driven manager with an active approach to managing portfolios and a focus on maximizing risk adjusted returns. Greg spent 15 years managing both pension and mutual fund assets at Aurion Capital Management.
