The Protection of Wealth Lunch and Learn Series

Stocks, bonds, cash, gold, bitcoin...? Where to invest in 2018?

With US Markets at all-time highs, increased volatility, interest rates on the rise and disruptive new technologies, it is more important than ever to choose wisely when investing.

Karcz Wealth Management Group invites you to an informative seminar on the top strategies for investing in the next decade, with special guest speaker Kevin Vandermeer, Lead Portfolio Manager at Canaccord Genuity Wealth Management.

Martin Karcz,
MSc, MBA
Senior Vice President,
Investment Advisor

Kevin Vandermeer,
CFA, FCSI
Managing Director &
Lead Portfolio
Manager

Martin has over 20 years of financial and business experience. He specializes in portfolio strategies for affluent individuals, corporations and associations, including solutions for estate planning, tax-planning, and business succession planning.

Kevin is Lead Portfolio Manager of the investment team. Prior to joining Canaccord Genuity, he launched his own hedge fund and worked for one of Canada's largest banks where he Co-Managed C\$3.7 billion. Kevin has been recognized as one of Canada's TopGun Investment Minds as well as a previous recipient of a Lipper Award for outstanding fund performance.
